

To,
Mr. Harshad Bhamre
CEO & Founder
Nabhangan Engineers

Subject: Trial Access — Nabhangan Engineers Workflow Tracker Platform

Dear Mr. Bhamre,

We are pleased to extend a **10-day free trial** of the **Nabhangan Engineers Workflow Tracker**, a purpose-built SaaS platform developed by Chemiligence Solutions for property valuation and site survey management.

We sincerely thank you for your valuable inputs and feedback during our discussions. The platform has been customised specifically to suit the operational needs of Nabhangan Engineers, and we are confident it will meaningfully streamline your team's day-to-day workflow.

Platform Highlights

■ End-to-End Case Tracking	Manage every valuation case through 8 defined stages — Lead, Survey, Rate Verification, Drafting, Checking, Print, Scan, and Dispatch — with full visibility at every step.
■ Role-Based Access Control	Separate dashboards for Admin and Staff. Each team member sees only what is relevant to their role, ensuring clarity and data security.
■ Digital Site Survey Form	A comprehensive on-site data entry form with GPS capture, photo uploads (up to 10 per case), and project-specific custom fields configurable per case.
■ Third-Party Surveyor Access	Generate a secure, one-time survey link for external surveyors — no login required. The case automatically advances upon submission.
■ Printable Site Survey Report	Generate a professional PDF report with the Nabhangan Engineers logo, covering bank details, property data, GPS, valuation summary, site photos, and a signature strip.
■ Real-Time Dashboard & Activity History	Live staff occupancy, case-wise activity logs, project timeline with submission timestamps, and downloadable CSV reports — all in Indian Standard Time.

A detailed feature document is attached for your reference.

Pricing will be mutually discussed and finalised after the completion of the trial period.

Login Credentials

Please use the following credentials to access the platform. We recommend each user change their password upon first login via **Settings** → **Password**.

Platform URL	https://nabhangan.chemiligence.in
--------------	-----------------------------------

Email Address	Role	Password
harshadab@nabhangan.com	Admin	staff1706*
sunilm@nabhangan.com	Staff	staff1706*
rishiy@nabhangan.com	Staff	staff1706*

* Passwords are set identically for initial access. Please change them immediately after first login.

We look forward to your team's experience with the platform and remain available for any support or queries during the trial period.

Warm regards,

Dr. Nimish Pankhedkar
